

The ProStack[®] METRIC

M O D U L A R | R A C K | S Y S T E M

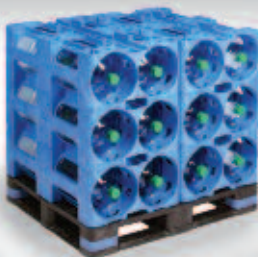

Reach Through Feature

Forklift layer slots

Layers slide and lock safely

ProStack fits most truck bays

 **Polymer
Solutions
International**

**The "leakers"
stop here!**

Additional Features

1. 360° bottle enclosure dramatically reduces leakers
2. Forklift pockets for easy and efficient layer handling
3. Unmatched durability, built to last
4. 4-way pallet jack compatible
5. Stacks up to 15 layers high for optimum floor and shelf space utilization
6. Metric footprint - easy to handle on routes and in the warehouse
